

The local Policing Plan contains the targets against which Banbridge DPP Members will monitor local policing performance for the year from 1st April 2010 to 31st March 2011. Banbridge DPP plays a critical role in lobbying for policing targets which local communities from across the District have identified as being important. Of the 7 targets put forward to the PSNI Area Commander, 5 were incorporated into this local Policing Plan including a specific local measure to try and increase visibility of and engagement between Neighbourhood Officers and the local communities to which they are dedicated. The Banbridge DPP Members look forward to monitoring local police performance at the 4 District level Meetings in Public, and also through the various local community forums which it supports.

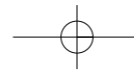

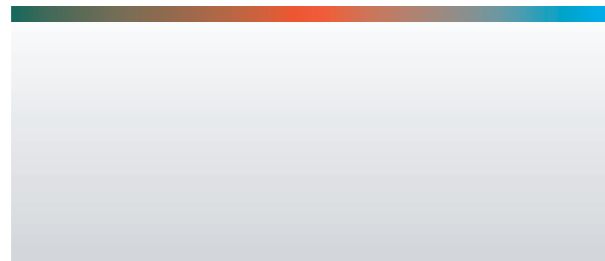

Cllr Ian Burns
Chairperson
Banbridge DPP

I am pleased to present the local Banbridge Policing Plan for 2010/11.

This years plan again outlines the result of consultation with Banbridge DPP, CPLCs, numerous other forums, community groups and individuals across the area. We have identified areas of greatest concern to you in your local community.

I and my staff look forward to another productive and challenging year. My officers provide a dedicated and professional service to the people of the area, but we do not do this in isolation. I take this opportunity to again urge you to continue your support for the wellbeing of our community, to assist us in tackling criminal activity and to ensure you that through working together we will all see the benefits.
