| Local Policing Plan Targets for 2008/2009  |                 |        |               |        |                 |        |               |        |
|--|-----------------|--------|---------------|--------|-----------------|--------|---------------|--------|
| Local Policing Plan Targets for 2008/2009  | Apr 08 – Jun 08 | Target | Apr 08-Sep 08 | Target | Apr 08 - Dec 08 | Target | Apr 08-Mar 09 | Target |
| 3.1.2 To reduce the total number of crimes in line with service targets                                | -3.8%           | ✓      | -8.8%         | ✓      |                 |        |               |        |
| 3.2.1 To reduce the level of violent crimes  | -12.3%          | ✓      | -6%           | ✓      |                 |        |               |        |
| 3.3.2 To reduce the total number of domestic burglaries in line with Service targets                   | +27.8%          | ✗      | +24.1%        | ✗      |                 |        |               |        |
| 4.2.2 To increase the number of drugs seizures   | -15 incidents   | ✗      | +26 seizures  | ✓      |                 |        |               |        |
| 5.1.1 To reduce the number of incidents of anti-social behaviour to ensure a 15% reduction by 31/03/11 | -12.8%          | ✓      | -27.3%        | ✓      |                 |        |               |        |
| 81.1 To reduce the number of people killed or seriously injured on the road.                           | -30%            | ✓      | Not available |        |                 |        |               |        |

8.1.1. Figures only available from 1 April to 30 June

Note: The trend information is a snapshot each quarter of how the local PSNI has been performing against LPP targets during the year.

### Section 4) Policing with the Community

| Strategy and/or progress under Policing with the Community  | Impact   |
|---|--|
| As per the current template, this section should contain information about the steps that are being taken to progress policing with the community within the [Name] Area. | As per the current template, this section should contain the impact of local PSNI strategy/ies (detailed in the left hand column). |

### Section 5) Community Safety Projects

| Strategy and/or contribution towards Community Safety Projects  | Impact   |
|---|--|
| As per the current template, this section should contain information about the contribution that the police are making to community safety projects within the [Name] Area. | As per the current template, this section should contain the impact of local PSNI strategy/ies (detailed in the left hand column). |

### Section 6) Additional Information [OPTIONAL]

DPPs can request additional information from their PSNI Area Commander, which is provided in this section:

- Additional information or figures which the District Commander or DPP feels is relevant to the local community, and
- Emerging issues identified by the DCU through the NIM (National Intelligence Model) process.

Once agreed between the Area Commander and the DPP, various methods can be used to exhibit the additional information, e.g. bar-charts, graphs.
