

On behalf of the East Belfast Sub-Group, I welcome the publication of the Local Policing Plan for East Belfast for 2010/2011.

A key function of the Sub-Group is to identify and monitor local policing priorities. The Sub-Group has undertaken consultation with communities in East Belfast and the findings from this process have helped shape the Local Policing Plan. It is on this plan, and the success or failure of the Police to meet the targets contained within it, that the Sub-Group will monitor the work of the Police in East Belfast over the coming year.

I would conclude by encouraging you to engage with the Police in your local area to help build relationships with those who deliver policing on the ground.

Councillor P O'Reilly
Chairman East Belfast Sub Group, DPP

This policing plan has been drawn up in consultation with the District Policing Partnership and focuses on the issues which are important to the local people of East Belfast.

The policing successes in 2009/10 were made possible by the commitment of our police officers and staff who worked closely with local communities and our partner agencies to tackle the issues which caused concern for everyone in this area.

As I look forward to 2010/11 I would ask for the continued support of everyone living and working here to ensure that together we can make East Belfast a safer and more secure place to live and work in the year ahead.
