LPP Measures 2022-2023

How much did we do?

How well did we do it?

Is anyone better off?

- Levels of NPT patrol activity and engagement
- Develop a schedule of events with the PCSP and local communities to increase confidence in policing
- Providing high quality crime prevention advice including around scams.

- Monitor and report on victim contact
- Work with communities to increase the use of Neighbourhood Watch and Cold Calling Zones
- Explore options for developing contact with minority groups and others who have interactions with PSNI i.e. domestic abuse victims, hate crime victims, rural community

- Work collaboratively with the PCSP to encourage local people to join the PSNI.
- Carry out local engagement and other initiatives to encourage a career in policing.

- Level of crime outcomes to be monitored and issues addressed through specific action plans or problem solving folders

How recorded/measured

- Number of active problem solving folders
- Results of surveys
- Reach across social media platforms
- Number of Rugged Laptops to District officers.
- Number of CPO/PCSP events.

- Victim contact figures and dip sampling to ensure high compliance with victim contact figures
- Report from NPT Inspectors
- Report on number of Neighbourhood Watch and cold-calling zones
- The number of referrals to Assist NI

- Centrally held data on PSNI representation.
- Report on local initiatives encouraging careers in PSNI.
- The number of young people engaging in PSNI Work Experience

- Crime outcome figures, and in particular:
- Report on outcomes against burglary suspects.
- Report on outcomes against ROU offenders.
- Report on outcomes against Domestic Abuse Offenders
- Problem Solving Folders and Action plans to address any issues identified
