

Making Northern Ireland Safer For Everyone Through Professional, Progressive Policing

FREEDOM OF INFORMATION REQUEST

Request Number: F-2009-01233

Keyword: Crime

Subject: CRIMES COMMITTED BY FOREIGN NATIONALS

Request and Answer:

I am writing to confirm that the Police Service of Northern Ireland has now completed its search for the information.

I have today decided to:

- . disclose records in answer to question 1 in full; and
- . fully exempt records in answer to question 2 pursuant to the provisions of section 40 of the Freedom of Information Act 2000 (the Act).

Question 1

I would like to request the total number of crimes committed by foreign nationals in each of the last three years, broken down by crime and by nationality.

Answer

Please see attached document below.

Question 2

Where possible please provide the names of the individuals convicted of each crime and include a list of any other convictions they are known to have received either in the UK or in their country of origin, broken down by crime committed and by date.

Answer

Your request for information has now been considered and the decision has been taken not to supply the information you have requested.

Section 17 of the Freedom of Information Act (FOIA) 2000 requires the Police Service of Northern Ireland, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which:

- states that fact,
- specifies the exemption in question and
- states (if not otherwise apparent) why the exemption applies.

The exemption/s, as well as the factors the department considered when deciding where the public interest lies are listed below.

Section 40(2) Personal Information

Section 40 is an absolute class based exemption and this means the legislators have agreed that there would be harm if this information was released.

Your request contains questions that to answer would require me to release personal details about individuals - *the* names of the individuals convicted of each crime and any other convictions they are known to have received either in the UK or in their country of origin, broken down by crime committed and by date.

Section 40(2) is a Class-based exemption, therefore it is not necessary to evidence the harm caused by disclosure. The data protection rights of a third party would be breached by disclosure, therefore Section 40(2) is an Absolute exemption and a Public Interest Test is not necessary. This is so because personal data is governed by other law (The Data Protection Act 1998).

All requests made under FOIA are applicant blind. A request must be treated as such and a public authority will always view any disclosure as into the public domain and not just to an individual.

Personal Data is regulated under the principles of the Data Protection Act 1998 and when information contains personal data about a third party it can only be released if disclosure would not breach any of the data protection principles.

This is sensitive personal data and no conditions can be met within Schedules 2 & 3 of the DPA that would permit disclosure and therefore Section 40 (2) is engaged.

If you have any queries regarding your request or the decision please do not hesitate to contact me on 028 9070 0164. When contacting the Freedom of Information Team, please quote the reference number listed at the beginning of this email.

If you are dissatisfied in any way with the handling of your request, you have the right to request a review. You should do this as soon as possible, or in any case within two months of the date of issue of this letter. In the event that you require a review to be undertaken, you can do so by writing to the Head of Freedom of Information, PSNI Headquarters, 65 Knock Road, Belfast, BT5 6LE or by emailing foi@psni.pnn.police.uk

If following an internal review, carried out by an independent decision maker, you were to remain dissatisfied in any way with the handling of the request you may make a complaint, under Section 50 of the Freedom of Information Act, to the Information Commissioner's Office and ask that they investigate whether the PSNI has complied with the terms of the Freedom of Information Act. You can write to the Information Commissioner at Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. In most circumstances the Information Commissioner will not investigate a complaint unless an internal review procedure has been carried out, however the Commissioner has the option to investigate the matter at his discretion.

Please be advised that PSNI replies under Freedom of Information may be released into the public domain via our website @ www.psni.police.uk

Personal details in respect of your request have, where applicable, been removed to protect confidentiality.
