Keyword: Crime

Subject: PROPERTY STOLEN FROM THE POLICE

Request and Answer:

Question

Details of the items of property stolen from the police force in each of the past 5 years including the total worth of stolen property stolen in each year.

Answer

Please see the attached table which has been supplied by the Central Statistics Branch of the Police Service of Northern Ireland and details property recorded as stolen from burglary, robbery or theft offences where the victim is the PSNI in the past 5 years. It is not possible to identify ownership of the items stolen. Some items will not directly belong to the PSNI but will have been in police possession as a result of property handed in / seizures / recoveries. It should be noted that the PSNI is an organisation of over 10,000 staff with thousands of items of equipment and items on issue and as such, there will be occasions when items go missing.

If you have any queries regarding your request or the decision please do not hesitate to contact me on 028 9070 0164. When contacting the Freedom of Information Team, please quote the reference number listed at the beginning of this email.

If you are dissatisfied in any way with the handling of your request, you have the right to request a review. You should do this as soon as possible or in any case within two months of the date of issue of this letter. In the event that you require a review to be undertaken, you can do so by writing to the Head of Freedom of Information, PSNI Headquarters, 65 Knock Road, Belfast, BT5 6LE or by emailing FOI@psni.pnn.police.uk

If following an internal review, carried out by an independent decision maker, you were to remain dissatisfied in any way with the handling of the request you may make a complaint, under Section 50 of the Freedom of Information Act, to the Information Commissioner's Office and ask that they investigate whether the PSNI has complied with the terms of the Freedom of Information Act. You can write to the Information Commissioner at Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. In most circumstances the Information Commissioner will not investigate a complaint unless an internal review procedure has been carried out, however the Commissioner has the option to investigate the matter at his discretion.

Please be advised that PSNI replies under Freedom of Information may be released into the public domain via our website @ www.psnipolice.uk

Personal details in respect of your request have, where applicable, been removed to protect confidentiality.
