

Making Northern Ireland Safer For Everyone Through Professional, Progressive Policing

FREEDOM OF INFORMATION REQUEST

Request Number: F2009 - 3597

Keyword: Crime

Subject: Schedule for the Historical Enquiries Team

Request and Answer:

This is to inform you that the Historical Enquiries Team (HET) has now completed its search for the information you requested.

Question

Please provide a copy of the schedule for the Historical Enquiries Team (i.e. the list of murders proposed for re-investigation and the scheduled date for re-investigation)

Answer

Please find attached table.

When it was established HET was tasked to re-examine all deaths attributable to the 'Troubles' in the years 1968 to pre-Belfast/Good Friday Agreement 1998. This involves 3,259 deaths arising from 2,559 incidents. At the time of this request HET has commenced 1,444 reviews in respect of which 585 have been completed. It is not possible to provide a scheduled date for the commencement of future reviews as the completion of ongoing cases are subject of a number of complex and varying factors. As a matter of policy cases are reviewed on a chronological basis and HET is up to early 1973. When considering this period account has to be made of the fact the early 1970's experienced the worst years of the 'Troubles', in terms of the number of deaths recorded. HET also applies an exemption policy for cases on the grounds of humanitarian reasons, public interest, and cases previously opened or linked cases.

If you have any queries regarding your request or the decision please do not hesitate to contact me on 028 9070 0164. When contacting the Freedom of Information Team, please quote the reference number listed at the beginning of this email.

If you are dissatisfied in any way with the handling of your request, you have the right to request a review. You should do this as soon as possible, or in any case within two months of the date of issue of this letter. In the event that you require a review to be undertaken, you can do so by writing to the Head of Freedom of Information, PSNI Headquarters, 65 Knock Road, Belfast, BT5 6LE or by emailing foi@psni.pnn.police.uk

If following an internal review, carried out by an independent decision maker, you were to remain dissatisfied in any way with the handling of the request you may make a complaint, under Section 50 of the Freedom of Information Act, to the Information Commissioner's Office and ask that they investigate whether the PSNI has complied with the terms of the Freedom of Information Act. You can write to the Information Commissioner at Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. In most circumstances the Information Commissioner will not investigate a complaint unless an internal review procedure has been carried out, however the Commissioner has the option to investigate the matter at his discretion.

Please be advised that PSNI replies under Freedom of Information may be released into the public domain via our website @ www.psni.police.uk

Personal details in respect of your request have, where applicable, been removed to protect confidentiality.

Details of the HET cases are as follows:
