Keyword: Finance

Subject: IT/COMMUNICATIONS SCHEMES 2009/10

Request and Answer:

This is to inform you that the Police Service of Northern Ireland has now completed its search for the information you requested.

Question

Can you please tell me which IT and Communications schemes in the 2009/10 capital programme will be new starts in 2009/10 and which schemes are already underway. I'd like a detailed line-by-line list of projects. Cost estimates against each project would be helpful.

Answer

Our Information and Communication Services department has provided a list of the relevant projects and this is attached in 01901 pdf. ICS have advised that we have been unable to provide cost estimates as we have not yet gone out to tender for a number of these projects and the final budgets have not yet been allocated for the Financial Year 09/10.
