Subject: FW: Postponed DPP Meeting - Coalisland 18 March 2009

Hi Paul

For your information, this is the statement agreed by Phelim in respect of the postponement of last night's meeting.

"I deeply regret the need to postpone the planned DPP meeting last night.

This was a public forum due to discuss issues affecting our local community, issues of alcohol and drugs misuse.

The local community has to be at the heart of shaping how policing responds to demands of the local community and developing that partnership is the only way that we will make an impact on the criminality and anti social behaviour that is affecting our communities."

Kind regards

Celene
