

FREEDOM OF INFORMATION REQUEST

Request Number: F-2011-03598

Keyword: Crime

Subject: Deaths/Serious Injuries as a Result of Break Ins

Request and Answer:

Question

I would like to be provided with a break-down of the number of deaths and serious injuries caused as a result of people attempting to break into construction sites, power stations (used and disused) and sub-stations over the past eighteen (18) months (18 months on receipt of this request), and the cause of death or serious injury - for example electrocution, being crushed by heavy machinery, falling from scaffolding.

Answer

Section 17(5) of the Freedom of Information Act 2000 requires the Police Service of Northern Ireland, when refusing to provide such information (because the cost of compliance exceeds the appropriate limit) to provide you the applicant with a notice which states that fact.

It is estimated that the cost of complying with your request for information would exceed the "appropriate costs limit" under Section 12(1) of the Freedom of Information Act 2000, which is currently set by the Secretary of State at £450 (18 hours).

PSNI computer systems do not have specific fields that store information on construction sites, power stations or sub-stations that have been broken in to. The only way to retrieve the requested information would be to trawl each record manually. For the requested 18 month period there would be approximately 933, 403 relevant incidents to trawl. Allowing 10 minutes to check each record, the total time required to search the incidents would be in the region of 155, 567 hours which would massively exceed the cost threshold.

In accordance with the Freedom of Information Act 2000, this letter should be considered as a Refusal Notice, and the request has therefore been closed.

You may wish to submit a refined request in order that the cost of complying with your request may be facilitated within the 'appropriate limit'. In compliance with Section 16 of the Act, I have considered how your request may be refined to bring it under the appropriate limit. Unfortunately the nature and structure of the information makes this impossible.

Submission of a refined request would be treated as a new request, and considered in accordance

with the Freedom of Information Act 2000, including consideration of relevant Part II exemptions.

If you have any queries regarding your request or this decision please do not hesitate to contact me on 028 9070 0164. When contacting the Freedom of Information Team, please quote the reference number listed at the beginning of this letter.

If you are dissatisfied in any way with the handling of your request, you have the right to request a review. You should do this as soon as possible, or in any case within two months of the date of issue of this letter. In the event that you require a review to be undertaken, you can do so by writing to the Head of Freedom of Information, PSNI Headquarters, 65 Knock Road, Belfast, BT5 6LE or by emailing foi@psni.pnn.police.uk.

If following an internal review, carried out by an independent decision maker, you were to remain dissatisfied in any way with the handling of the request you may make a complaint, under Section 50 of the Freedom of Information Act, to the Information Commissioner's Office and ask that they investigate whether the PSNI has complied with the terms of the Freedom of Information Act. You can write to the Information Commissioner at Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. In most circumstances the Information Commissioner will not investigate a complaint unless an internal review procedure has been carried out, however the Commissioner has the option to investigate the matter at his discretion.

Please be advised that PSNI replies under Freedom of Information may be released into the public domain via our website @ www.psni.police.uk
