

## FREEDOM OF INFORMATION REQUEST

**Request Number:** F2011 01821

**Keyword:** Crime

**Subject:** DNA

### **Request and Answer:**

#### Question 1

Please can you give any figures regarding the successful use of DNA to obtain convictions in Northern Ireland since its introduction.

#### Question 2

In particular the numbers of convictions and types of crimes.

#### Answer

PSNI does not hold this information in the requested format.

Section 17(5) of the Freedom of Information Act 2000 requires the Police Service of Northern Ireland (PSNI), when refusing to provide such information (because the cost of compliance exceeds the appropriate limit) to provide you the applicant with a notice which states that fact.

It is estimated that the cost of complying with your request for information would exceed the "appropriate costs limit" under Section 12(1) of the Freedom of Information Act 2000, which is currently set by the Secretary of State at (18 hours) £450. If this cost applies to one or more questions, then it applies to the entire request.

By way of explanation, given the number of cases undertaken each year, to even search for this information alone, would exceed the cost and time limits permitted for FOI Requests.

As these questions have very wide parameters and an open time span, this would make it extremely difficult, even with IT intervention, to pull together a statistical analysis. Additionally a further trawl of each case file over the period to ascertain if DNA secured a conviction would also be required.

In accordance with the Freedom of Information Act 2000, this letter should be considered as a Refusal Notice, and the request has therefore been closed.

You may wish to submit a refined request in order that the cost of complying with your request may be facilitated within the 'appropriate limit'.

## Section 16 – Duty to provide advice and assistance

In compliance with Section 16 of the Act, I have considered how your request may be refined to bring it under the appropriate limit. Although PSNI would hold information regarding DNA these records cover various aspects as mentioned previously and would be embedded in different systems. Therefore, due to the nature and structure of the information requested this would make it extremely difficult for the PSNI to advise you how to refine your request to a point below the £450 cost limit.

Submission of a refined request would be treated as a new request, and considered in accordance with the Freedom of Information Act 2000, including consideration of relevant Part II exemptions.

If you have any queries regarding your request or this decision please do not hesitate to contact 028 9070 0164. When contacting the Freedom of Information Team, please quote the reference number listed at the beginning of this letter.

If you are dissatisfied in any way with the handling of your request, you have the right to request a review. You should do this as soon as possible, or in any case within two months of the date of issue of this letter. In the event that you require a review to be undertaken, you can do so by writing to the Head of Freedom of Information, PSNI Headquarters, 65 Knock Road, Belfast, BT5 6LE or by emailing [foi@psni.pnn.police.uk](mailto:foi@psni.pnn.police.uk).

If following an internal review, carried out by an independent decision maker, you were to remain dissatisfied in any way with the handling of the request you may make a complaint, under Section 50 of the Freedom of Information Act, to the Information Commissioner's Office and ask that they investigate whether the PSNI has complied with the terms of the Freedom of Information Act. You can write to the Information Commissioner at Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. In most circumstances the Information Commissioner will not investigate a complaint unless an internal review procedure has been carried out, however the Commissioner has the option to investigate the matter at his discretion.
