Question

Previous request F-2011-03101 refers

The statistics regarding those officers who took Patten severance packages in the first 6 months of 2011 and who have been rehired in any capacity (consultant, etc) to work in Crime Operations. Please also provide detail as to what branch of Crime Operations and in what capacity.

Answer

Section 17(5) of the Freedom of Information Act 2000 requires the Police Service of Northern Ireland, when refusing to provide such information (because the cost of compliance exceeds the appropriate limit) to provide you the applicant with a notice which states that fact.

It is estimated that the cost of complying with your refined request for information still exceeds the "appropriate costs limit" under Section 12(1) of the Freedom of Information Act 2000, which is currently set by the Secretary of State at £450.

By way of explanation local Human Resources (HR) outsourced the request to Central HR (Establishment) for a list of leavers specifically those on severance. A figure of 76 leavers was identified.

As stated previously, once there is a breakdown of these individuals, cross references would have to be made with all engagements made by Crime Operations in the first 6 months of 2011. Whilst there is access to the agency assignments and Grafton Associates, a separate report for joiners would have to be run and an approach would have to be made to Business Services and/or Central HR in relation to consultants.

- It would take approximately 5 minutes to assess each record on SAP
- Outsourcing requests (initial severance list and consultants) would have to be initiated
- Grafton Associates records would have to be cross-referenced
- Agency records would have to be cross-referenced
- Running a joiners report and cross-referencing would also have to be completed

In accordance with the Freedom of Information Act 2000, this letter should be considered as a Refusal Notice, and the request has therefore been closed.

You may wish to submit a refined request in order that the cost of complying with your request may be facilitated within the 'appropriate limit'. In compliance with Section 16 of the Act, I have considered how your request may be refined to bring it under the appropriate limit. However due to the nature of your request we are unable to advise you how to refine it further.

Submission of a refined request would be treated as a new request, and considered in accordance with the Freedom of Information Act 2000, including consideration of relevant Part II exemptions.

If you have any queries regarding your request or this decision please do not hesitate to contact me on 028 9070 0164. When contacting the Freedom of Information Team, please quote the reference number listed at the beginning of this letter.
