

## FREEDOM OF INFORMATION REQUEST

**Request Number:** F-2012-00115

**Keyword:** Crime

**Subject:** Crimes in hospitals

### Request and Answer:

#### Question

Can you please respond to the below Freedom of Information request to this email.

- 1) Can you please list the number of crimes reported in hospitals served by your constabulary in 2011?
  - (i) Can you please state which hospital the offence took place at.
  - (ii) The date of the offence.
  - (iii) Type of offence committed.
  - (iv) If applicable then the stage of the investigation.

#### Answer

Section 17(5) of the Freedom of Information Act 2000 requires the Police Service of Northern Ireland, when refusing to provide such information (because the cost of compliance exceeds the appropriate limit) to provide you the applicant with a notice which states that fact.

It is estimated that the cost of complying with your request for information would exceed the "appropriate costs limit" under Section 12(1) of the Freedom of Information Act 2000, which is currently set by the Secretary of State at £450.

I have contacted the record owners Central Statistics Branch and Information Communications Services Branch (ICS) in an attempt to retrieve the information as the service do not hold the information in a central location. To retrieve the information regarding any investigations into the crimes reported in hospitals we would have to manually trawl each of the incidents. It is therefore estimated that it would take 20 minutes to examine each record and it is estimated, this process would require a total of 194 hours.

In accordance with the Freedom of Information Act 2000, this letter should be considered as a Refusal Notice, and the request has therefore been closed.

You may wish to submit a refined request in order that the cost of complying with your request may be facilitated within the 'appropriate limit'. In compliance with Section 16 of the Act, I have considered how your request may be refined to bring it under the appropriate limit however the nature and structure of the information unfortunately makes this impossible.

Submission of a refined request would be treated as a new request, and considered in accordance with the Freedom of Information Act 2000, including consideration of relevant Part II exemptions.

Although excess cost removes the PSNI's obligations under the Freedom of Information Act, I have attached below a table retrieved from Central Statistics Branch which provides the number of crimes reported in hospitals in 2011, the hospitals where they occurred, the month the offence occurred and the offence committed, before it was realised that the fees limit would be exceeded. Please note that the month has only been provided as to provide the specific day and month of the offence to such a low level has the potential to identify an individual and under Freedom of Information exemptions would be applied. It should also be noted that some crimes that occurred in 2010 were reported in 2011 and they are highlighted on the table. I trust this is helpful but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

If you have any queries regarding your request or this decision please do not hesitate to contact me on 028 9070 0164. When contacting the Freedom of Information Team, please quote the reference number listed at the beginning of this letter.

If you are dissatisfied in any way with the handling of your request, you have the right to request a review. You should do this as soon as possible, or in any case within two months of the date of issue of this letter. In the event that you require a review to be undertaken, you can do so by writing to the Head of Freedom of Information, PSNI Headquarters, 65 Knock Road, Belfast, BT5 6LE or by emailing [foi@psni.pnn.police.uk](mailto:foi@psni.pnn.police.uk).

If following an internal review, carried out by an independent decision maker, you were to remain dissatisfied in any way with the handling of the request you may make a complaint, under Section 50 of the Freedom of Information Act, to the Information Commissioner's Office and ask that they investigate whether the PSNI has complied with the terms of the Freedom of Information Act. You can write to the Information Commissioner at Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. In most circumstances the Information Commissioner will not investigate a complaint unless an internal review procedure has been carried out, however the Commissioner has the option to investigate the matter at his discretion.

Please be advised that PSNI replies under Freedom of Information may be released into the public domain via our website @ [www.psni.police.uk](http://www.psni.police.uk)

Personal details in respect of your request have, where applicable, been removed to protect confidentiality.
