

## FREEDOM OF INFORMATION REQUEST

**Request Number:** F-2014-02238

**Keyword:** Crime

**Subject:** Weapons Seized from Children Aged 17 and Under

### Request and Answer:

#### Question

Under the Freedom of Information Act, I would like to request details of weapons seized from children aged 17 and under.

For each year from 2011 to 2014 so far (or for fewer years if necessary to bring this request within the time constraints of the FOI Act), and for each policing district, please disclose the following:

- The number times that weapons have been seized from children aged 17 and under.
- A list of the types of weapons seized, e.g. guns, knives, etc, and the quantities of each
- For each seizure, if possible please disclose the ages of the children involved; the types and quantities of weapons seized; and if possible the town/village/city where the seizure took place, identifying if it took place at a school

#### Clarification

I have made initial enquiries and it is hoped that we could provide figures for 2011, 2012, 2013 and 2014 to date. The figures would be derived from possession of offensive weapon offences recorded by the police where the location/address is a school, where the offence has been detected and where the age of the offender is 18 or under. From this offence we hope to be able to extract details re any weapons seized.

It should be noted that offences will not necessarily have been committed by a pupil and may have occurred outside school hours.

Could you please advise if you are content for us to proceed in this way and retrieve what is available from our systems?

#### Response

I'm happy for the FOI to proceed as you have outlined.
