

FREEDOM OF INFORMATION REQUEST

Request Number: F-2015-03303

Keyword: Organisational Information/Governance

Subject: PSNI Vehicles

Request and Answer:

Question

Under the FOI Act would it be possible for me to receive an updated list of liveried police vehicles in use with the PSNI?

Of each liveried vehicle I would request information on the Make, Model, Registration number, Air/Roof ID code, station attachment and duties performed for each vehicle i.e. Roads Policing, General Emergency Response.

I understand if roof codes and duty performance may not be available to me.

Answer

Your request for information has now been considered. In respect of Section 1(1)(a) of the Act I can confirm that the Police Service of Northern Ireland does hold information to which your request relates. The decision has been taken to disclose the following.

Please find a table attached to this FOI response which gives the requested details of the registration number, vehicle type, model, and station attachment for the PSNI liveried vehicles.

Please Note: As stated in your request, and in the previous FOI response on this subject area (F-2015-00382), it is not possible to provide the information on 'roof codes' and 'duty performance'. The roof codes are not recorded on the vehicle's record, however we can advise you that the code is created using the vehicle's fleet number and designated duty type. The information on the vehicle's duty type cannot be disclosed as to do so would engage an exemption under 'Section 31(a)(b) – Law Enforcement' of the FOI Act as explained in your previous FOI response (F-2015-00382).

If you have any queries regarding your request or the decision please do not hesitate to contact me on 028 9070 0164. When contacting the Freedom of Information Team, please quote the reference number listed at the beginning of this letter.

If you are dissatisfied in any way with the handling of your request, you have the right to request a review. You should do this as soon as possible or in any case within two months of the date of issue of this letter. In the event that you require a review to be undertaken, you can do so by writing to the

Head of Freedom of Information, PSNI Headquarters, 65 Knock Road, Belfast, BT5 6LE or by emailing foi@psni.pnn.police.uk.

If following an internal review, carried out by an independent decision maker, you were to remain dissatisfied in any way with the handling of the request you may make a complaint, under Section 50 of the Freedom of Information Act, to the Information Commissioner's Office and ask that they investigate whether the PSNI has complied with the terms of the Freedom of Information Act. You can write to the Information Commissioner at Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. In most circumstances the Information Commissioner will not investigate a complaint unless an internal review procedure has been carried out, however the Commissioner has the option to investigate the matter at his discretion.

Please be advised that PSNI replies under Freedom of Information may be released into the public domain via our website @ www.psni.police.uk

Personal details in respect of your request have, where applicable, been removed to protect confidentiality.
