Section 17(5) of the Freedom of Information Act 2000 requires the Police Service of Northern Ireland, when refusing to provide such information (because the cost of compliance exceeds the appropriate limit) to provide you the applicant with a notice which states that fact.

It is estimated that the cost of complying with your request for information would exceed the “appropriate costs limit” under Section 12(1) of the Freedom of Information Act 2000. Section 12 of FOIA allows a public authority to refuse to deal with a request where it estimates that it would exceed the appropriate limit to either comply with the request in its entirety or confirm or deny whether the requested information is held. The estimate must be reasonable in the circumstances of the case. The ‘appropriate limit’ is currently £600 for central government and £450 for all other public authorities including PSNI. The relevant Regulations which define the appropriate limit for section 12 purposes are The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulation 2004 SI 2004 No 3244. These are known as the ‘Fees Regulations’ for brevity.

Regulation 4(3) of the Fees Regulations states that a public authority can take into account the costs it reasonably expects to incur in carrying out the following permitted activities in complying with the request:

- (i) determining whether the information is held;
- (ii) locating the information, or a document containing it;

- (iii) retrieving the information, or a document containing it; and
- (iv) extracting the information from a document containing it.

Under those regulations PSNI can calculate the time spent on each of these permitted activities at £25 per hour (thus if the activity(s) takes more than 18 hours PSNI will be in excess of the 'appropriate limit').

The information is not held in a central location within PSNI and I contacted the relevant Department and Belfast Policing District. The information is held in both an electronic and manual format. Unfortunately there is no PSNI system that are utilised on a daily basis currently allows us to readily extract information in this format. The Operational Support Department (OSD) have advised that in the specified time period the information is held in different formats and software systems. The information is not held on a specific system and would require manual intervention of a large amount of records to provide the information requested. Please also note that OSD Units are regularly moving in and out of different police Areas /Districts throughout the day "live time" and the exact deployment / location of resources is down to the Command unit. It is therefore estimated to provide the information would grossly exceed the FOI legislative cost of 18 hours.

In accordance with the Freedom of Information Act 2000, this letter should be considered as a Refusal Notice, and the request has therefore been closed.

You may wish to submit a refined request in order that the cost of complying with your request may be facilitated within the 'appropriate limit'. In compliance with Section 16 of the Act, I have considered how your request may be refined to bring it under the appropriate limit; it may be possible for Operational Support Department to provide the information for a 4 year period. Belfast Policing District may be able to provide refinement for 4 years of data but please be aware that it would not be able to include information on specific types of vehicles. Submission of a refined request would be treated as a new request, and considered in accordance with the Freedom of Information Act 2000, including consideration of relevant Part II exemptions.

If you have any queries regarding your request or this decision please do not hesitate to contact me on 028 9070 0164. When contacting the Freedom of Information Team, please quote the reference number listed at the beginning of this letter.

You can write to the Information Commissioner at Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.
