**Request Number:** F-2018-02291

**Keyword:** Operational Policing

**Subject:** Policing Operation Londonderry / Derry 12<sup>th</sup> July 2018

### Request and Answer:

Your request for information below has now been considered. In respect of Section 1(1)(a) of the Freedom of Information Act 2000 (FOIA) I can confirm that the Police Service of Northern Ireland does hold the information you have requested however it is estimated that the cost of complying with your request for information would exceed the “appropriate costs limit” under Section 12(1) of the Freedom of Information Act 2000.

### Request

I am writing in regards to the Trouble in Derry/Londonderry over several nights around the Twelfth in July.

Can I please have the number of officers involved in the policing operation and the cost of the policing operation?

### Answer

Section 17(5) of the Freedom of Information Act 2000 requires the Police Service of Northern Ireland, when refusing to provide such information (because the cost of compliance exceeds the appropriate limit) to provide you the applicant with a notice which states that fact.

It is estimated that the cost of complying with your request for information would exceed the “appropriate costs limit” under Section 12(1) of the Freedom of Information Act 2000. Section 12 of FOIA allows a public authority to refuse to deal with a request where it estimates that it would exceed the appropriate limit to either comply with the request in its entirety or confirm or deny whether the requested information is held. The estimate must be reasonable in the circumstances of the case. The ‘appropriate limit’ is currently £600 for central government and £450 for all other public authorities including PSNI. The relevant Regulations which define the appropriate limit for section 12 purposes are The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulation 2004 SI 2004 No 3244. These are known as the ‘Fees Regulations’ for brevity.

Regulation 4(3) of the Fees Regulations states that a public authority can take into account the costs it reasonably expects to incur in carrying out the following permitted activities in complying with the request:

- (i) determining whether the information is held;
- (ii) locating the information, or a document containing it;

- (iii) retrieving the information, or a document containing it; and
- (iv) extracting the information from a document containing it.

Under those regulations PSNI can calculate the time spent on each of these permitted activities at £25 per hour (thus if the activity(s) takes more than 18 hours PSNI will be in excess of the 'appropriate limit').

Enquiries made in relation to your request has identified that retrieval of information would exceed the 18 hour cost limit, set by the Secretary of State under the FOI Act. Derry and Strabane Policing District have confirmed that retrieval of the requested information would not be readily available and would require a full interrogation of police recording systems, across multiple Districts, areas and Departments to determine any abstractions and duty time performed, normal core business functions as well as 'all normal operational costs as well as staffing, overtime, extra resources etc.'. As on this occasion officers may have been deployed from other Districts resources. Although due to the multiple PSNI recording systems it although it is difficult to quantify, it is estimated that the retrieval process would take in the region of 30 hours, which greatly exceeds the FOI legislative 18 hour cost limit.

In accordance with the Freedom of Information Act 2000, this letter should be considered as a Refusal Notice, and the request has therefore been closed.

You may wish to submit a refined request in order that the cost of complying with your request may be facilitated within the 'appropriate limit'. In compliance with Section 16 of the Act, I have considered how your request may be refined to bring it under the appropriate limit and subject to any relevant exemptions it may be possible to retrieve readily available data for North Area in relation to duty time and overtime costs for disturbances in Londonderry for the period stipulated, within the 18 hour cost limit. However please note these would only be estimated and will not include additional sundries such as fuel, catering etc.
