

## FREEDOM OF INFORMATION REQUEST

**Request Number:** F-2018-02923

**Keyword:** Road Policing

**Subject:** Cycling Offences

### Request and Answer:

Your request for information below has now been considered. In respect of Section 1(1)(a) of the Freedom of Information Act 2000 (FOIA) I can confirm that the Police Service of Northern Ireland does hold the information you have requested however it is estimated that the cost of complying with your request for information would exceed the “appropriate costs limit” under Section 12(1) of the Freedom of Information Act 2000.

### Request 1

Please could you provide me with the number of fixed penalty notices issued for cycling on the footway (pavement) for each of the past three financial years (2015/16, 2016/17 and 2017/18).

### Request 2

Please could you also provide me with number of people charged with dangerous cycling and careless cycling in each of the above years.

### Answer

Section 17(5) of the Freedom of Information Act 2000 requires the Police Service of Northern Ireland, when refusing to provide such information (because the cost of compliance exceeds the appropriate limit) to provide you the applicant with a notice which states that fact.

It is estimated that the cost of complying with your request for information would exceed the “appropriate costs limit” under Section 12(1) of the Freedom of Information Act 2000. Section 12 of FOIA allows a public authority to refuse to deal with a request where it estimates that it would exceed the appropriate limit to either comply with the request in its entirety or confirm or deny whether the requested information is held. The estimate must be reasonable in the circumstances of the case. The ‘appropriate limit’ is currently £600 for central government and £450 for all other public authorities including PSNI. The relevant Regulations which define the appropriate limit for section 12 purposes are The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulation 2004 SI 2004 No 3244. These are known as the ‘Fees Regulations’ for brevity.

Regulation 4(3) of the Fees Regulations states that a public authority can take into account the costs it reasonably expects to incur in carrying out the following permitted activities in complying with the request:

- (i) determining whether the information is held;
- (ii) locating the information, or a document containing it;
- (iii) retrieving the information, or a document containing it; and
- (iv) extracting the information from a document containing it.

Under those regulations PSNI can calculate the time spent on each of these permitted activities at £25 per hour (thus if the activity(s) takes more than 18 hours PSNI will be in excess of the 'appropriate limit').

Enquiries made in relation to your request has identified that retrieval of information would exceed the 18 hour limit set by the Secretary Of State under the FOI Act. PSNI Statistics Branch have advised that the offence of cycling on the footway (pavement) is covered by offence 'N018 – Failing to drive / ride to the rule of the road' which includes offences such as undertaking, failing to drive in nearside lane, cycling on the footpath etc. This means that each record would have to be manually examined to determine if the specific offence was cycling on the footpath. There were 279 fixed penalty notices issued for N018 between 31<sup>st</sup> March 2015 and 1<sup>st</sup> April 2018 which equates to a response time of over 23 hours, estimated at 5 minutes per record.

In accordance with the Freedom of Information Act 2000, this letter should be considered as a Refusal Notice, and the request has therefore been closed.

You may wish to submit a refined request in order that the cost of complying with your request may be facilitated within the 'appropriate limit'. In compliance with Section 16 of the Act, I have considered how your request may be refined to bring it under the appropriate limit. PSNI Statistics Branch has advised they could provide the number of FPNs issued, persons referred for prosecution or charged for 'dangerous cycling', 'cycling without due care and attention' and 'cycling without reasonable consideration'.

Submission of a refined request would be treated as a new request, and considered in accordance with the Freedom of Information Act 2000, including consideration of relevant Part II exemptions.
