Microsoft Edge

Microsoft Edge can be launched by clicking on the icon C. The procedure for checking the version of Edge on your computer is as follows:

- 1. Open Microsoft Edge by clicking on the icon.
- 2. Click on the 3 dots displayed in the upper-right corner.

3. Then select "Settings".

4. Look for your version under "About this app".

Updating your Microsoft Edge Browser

The browser Microsoft Edge is tied to Windows 10 and will be automatically kept up to date.
