FREEDOM OF INFORMATION REQUEST

Request Number: F-2022-00675

Keyword: Crime

Subject: Threat to Life Notices

Request and Answer:

Your request for information below has now been considered. In respect of Section 1(1) (a) of the Freedom of Information Act 2000 (FOIA) we can confirm that the Police Service of Northern Ireland (PSNI) does hold the information you have requested however it is estimated that the cost of complying with your request for information would exceed the “appropriate costs limit” under Section 12(1) of the Freedom of Information Act 2000.

We have explained to you below that when PSNI estimates whether the appropriate limit is likely to be exceeded, it can include the costs of complying with two or more requests if certain conditions are met. In this case those conditions are met and complying with all of your requests would in our estimation exceed that appropriate limit set out in Regulation. We have explained this further below but also we followed the Information Commissioner’s Office guidance ‘*Requests where the cost of compliance exceeds the appropriate limit*’ in relation to this request, which also provides further detail on the application of Section 12 (1) of the FOIA. This guidance is available on the ICO website at the following link:

https://ico.org.uk/media/for-organisations/documents/1199/costs_of_compliance_exceeds_appropriate_limit.pdf

You requested the following information from PSNI:

Request 1

How many threat to life notices your force has issued in the last three reporting years for which figures are available? If you do not have three years of data, or if providing three years would take too long to collate, please provide the latest 12-month period for which figures are available. I don't mind whether it's financial years, calendar years, or other 12-month periods.

Request 2

How many notices included in (1) have been issued to people aged under 18?

Answer

Section 17(5) of the Freedom of Information Act 2000 requires the Police Service of Northern Ireland, when refusing to provide such information (because the cost of compliance exceeds the appropriate limit) to provide you the applicant with a notice which states that fact.

It is estimated that the cost of complying with your request for information would exceed the “appropriate costs limit” under Section 12(1) of the Freedom of Information Act 2000. Section 12 of FOIA allows a public authority to refuse to deal with a request where it estimates that it would exceed the appropriate limit to either comply with the request in its entirety or confirm or deny whether the requested information is held. The estimate must be reasonable in the circumstances of the case. The ‘appropriate limit’ is currently £600 for central government and £450 for all other public authorities including PSNI. The relevant Regulations which define the appropriate limit for section 12 purposes are The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulation 2004 SI 2004 No 3244. These are known as the ‘Fees Regulations’ for brevity.

Regulation 4(3) of the Fees Regulations states that a public authority can take into account the costs it reasonably expects to incur in carrying out the following permitted activities in complying with the request:

- (i) determining whether the information is held;
- (ii) locating the information, or a document containing it;
- (iii) retrieving the information, or a document containing it; and
- (iv) extracting the information from a document containing it.

Under those regulations PSNI can calculate the time spent on each of these permitted activities at £25 per hour (thus if the activity(s) takes more than 18 hours PSNI will be in excess of the ‘appropriate limit’).

Enquiries made in relation to your request have identified that retrieval of this information would exceed the 18 hour cost limit set under the FOI Act by the Secretary of State. This information is not held in a retrievable format that provides the information without manual intervention and a comprehensive search would need to be conducted to retrieve this information. PSNI have estimated that to determine if a ‘Threat to Life Notice’ was issued we would require a physical check of over 1,100 relevant records for the past 3 years. Allowing 5 minutes to review each individual incident would equate to approximately 92 hours, grossly exceeding the legislative timescale of 18 hours. Furthermore, to provide one year, financial or calendar, would equate to approximately 29 hours still exceeding the legislative timescale as set by the Secretary of State.

In accordance with the Freedom of Information Act 2000, this letter should be considered as a Refusal Notice, and the request has therefore been closed.

Advice and Assistance

You may wish to submit a refined request in order that the cost of complying with your request may be facilitated within the ‘appropriate limit’. In compliance with Section 16 of the Act, we have considered how your request may be refined to bring it under the appropriate limit however, on this occasion PSNI are unable to provide any refinement for this request.

Submission of a refined request would be treated as a new request, and considered in accordance with the Freedom of Information Act 2000, including consideration of relevant Part II exemptions.
