

FREEDOM OF INFORMATION REQUEST

Request Number: F-2022-00718

Keyword: Crime

Subject: Police Call Outs to Schools

Request and Answer:

Your request for information below has now been considered. In respect of Section 1(1)(a) of the Freedom of Information Act 2000 (FOIA) we can confirm that the Police Service of Northern Ireland does hold the information you have requested however it is estimated that the cost of complying with your request for information would exceed the “appropriate costs limit” under Section 12(1) of the Freedom of Information Act 2000. We have explained to you below that when PSNI estimates whether the appropriate limit is likely to be exceeded, it can include the costs of complying with two or more requests if certain conditions are met. In this case those conditions are met and complying with all of your requests would in our estimation exceed that appropriate limit set out in Regulation. We have explained this further below but also we followed the Information Commissioner’s Office guidance ‘*Requests where the cost of compliance exceeds the appropriate limit*’ in relation to this request, which also provides further detail on the application of section 12 (1) of the FOIA. This guidance is available on the ICO website at the following link:

You requested the following information from PSNI:

Request

I request under the Freedom of Information Act 2000 all records between 1st of January 2018 and present relating to police call outs to schools in Northern Ireland. I request them to be broken down to individual schools and the issue the call out was for.

Answer

Section 17(5) of the Freedom of Information Act 2000 requires the Police Service of Northern Ireland, when refusing to provide such information (because the cost of compliance exceeds the appropriate limit) to provide you the applicant with a notice which states that fact.

It is estimated that the cost of complying with your request for information would exceed the “appropriate costs limit” under Section 12(1) of the Freedom of Information Act 2000. Section 12 of FOIA allows a public authority to refuse to deal with a request where it estimates that it would exceed the appropriate limit to either comply with the request in its entirety or confirm or deny whether the requested information is held. The estimate must be reasonable in the circumstances of the case. The ‘appropriate limit’ is currently £600 for central government and £450 for all other public

authorities including PSNI. The relevant Regulations which define the appropriate limit for section 12 purposes are The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulation 2004 SI 2004 No 3244. These are known as the 'Fees Regulations' for brevity.

Regulation 4(3) of the Fees Regulations states that a public authority can take into account the costs it reasonably expects to incur in carrying out the following permitted activities in complying with the request:

- (i) determining whether the information is held;
- (ii) locating the information, or a document containing it;
- (iii) retrieving the information, or a document containing it; and
- (iv) extracting the information from a document containing it.

Under those regulations PSNI can calculate the time spent on each of these permitted activities at £25 per hour (thus if the activity(s) takes more than 18 hours PSNI will be in excess of the 'appropriate limit').

When a public authority is estimating whether the appropriate limit is likely to be exceeded, it can include the costs of complying with two or more requests if the conditions laid out in Regulation 5 of the Fees Regulations can be satisfied. Those conditions require the requests to be:

- made by one person, or by different persons who appear to the public authority to be acting in concert or in pursuance of a campaign;
- made for the same or similar information; and
- received by the public authority within any period of 60 consecutive working days.

Regulation 5(2) of the Fees Regulations requires that the requests which are to be aggregated relate "*to any extent*" to the same or similar information. This is quite a wide test but public authorities should still ensure that the requests meet this requirement.

Enquiries made in relation to your request has identified that retrieval of information would exceed the 18 hour cost limit set under the FOI Act by the Secretary of State.

The information requested is held electronically on the PSNI computer system, however it is not held in a readily retrievable format which can be provided without manual intervention. An initial search was carried out for 1st January 2018 to 30th June 2018. This search returned a total of 576 incidents. In order to identify the location and the offence each individual incident would need to be manually reviewed. Even to allow a minimum of 2 minutes per incident would take in excess of 19 hours, thus exceeding the FOI cost threshold. This would be further increased for the remaining timescales requested.

In accordance with the Freedom of Information Act 2000, this letter should be considered as a Refusal Notice, and the request has therefore been closed.

Advice and Assistance

Under Section 16 of the FOIA PSNI will always try to assist you to refine your request and provide advice where we can. PSNI have considered how your request may be refined to bring it under the appropriate limit. PSNI can give general numbers of incidents per year by running a check with regards to incidents at schools. However, we cannot offer any refinement in terms of identifying the "school and the issue the call out was for" as this would require a manual check of each individual incident

Submission of a refined request would be treated as a new request, and considered in accordance

with the Freedom of Information Act 2000, including consideration of relevant Part II exemptions.
