## FREEDOM OF INFORMATION REQUEST

**Request Number:** F-2020-02467

**Keyword:** Human Resources

**Subject:** Community Background of Senior Officers

### Request and Answer:

Your request for information has now been considered. In respect of Section 1(1)(a) of the Act we can confirm that the Police Service of Northern Ireland does hold some information to which your request relates and this is being provided to you by virtue of Section 40 of FOIA and have detailed our rationale as to why this exemption applies. We have also provided you with links to guidance issued by the Information Commissioner's Office which we have followed in responding to your request.

### Request 1

Could I enquire as to what the percentage/numbers of officers that have identified as being Roman Catholic are in the Superintendent and Chief Superintendent ranks in the PSNI out of the total.

### Answer

As at 01/01/2021 there were 74 officers serving in Senior Police Officer and Superintendent ranks, 10 (13.51%) of whom declared they have a Roman Catholic community background.

### Request 2

Could I have a breakdown at each rank as to what these numbers are.

### Answer

As at 01/01/2021 there were 27 officers serving in Senior Police Officer rank, 2 (7.41%) of whom declared they have a Roman Catholic community background. There were 47 officers serving at Superintendent rank, 8 (17.02%) of whom declared they have a Roman Catholic community background.

***Provision of information relating to the ranks stipulated could reveal personal, sensitive information. PSNI would then be in breach of Equality Monitoring legislation. Instead, as is normal practice at Senior Police ranks due to the small numbers involved, information is provided for Senior Police Officer ( includes CC, DCC, ACC & C/Supt) and Superintendents.***

As previously mentioned, information has been provided to you by virtue of S40 of the FOI Act and the following explanation is provided.

Section 17(1) of the Freedom of Information Act 2000 requires the Police Service of Northern Ireland, when refusing to provide such information (because the information is exempt) to provide you the applicant with a notice which:

- (a) states that fact,
- (b) specifies the exemption in question and
- (c) states (if not otherwise apparent) why the exemption applies.

The exemption, as well as the factors the Department considered are listed below:

Section 40(2)(a)(b) by virtue of 40(3)(A)(a) Personal Information – Information constitutes personal data and disclosure would contravene any of the Data Protection principles.

The full text of exemptions can be found at [www.legislation.gov.uk](http://www.legislation.gov.uk) and further guidance on how they operate can be located on the Information Commissioners Office website [www.ico.org.uk](http://www.ico.org.uk).

Section 40 (2) of the FOIA is an absolute exemption which means there is no requirement on the PSNI to consider whether there is a public interest in disclosure. It is an interface exemption and we must consider whether release of the information would breach the General Data Protection Regulations ('GDPR') or the Data Protection Act 2018 ('DPA'). Third party personal information constitutes 'personal data' under the GDPR (Article 4) and DPA (Part 1 s.3).

Under the Freedom of Information Act, PSNI must consider if information can be released into the public domain. I have therefore considered whether the disclosure of this personal data is subject to the exemption at Section 40(2) of the Freedom of Information Act 2000 by virtue of s40 (3)(A)(a). As this information is 'personal data', PSNI considered whether disclosure would contravene any of the six data protection principles contained within the GDPR or DPA.

The six data protection principles are good information handling standards which PSNI must comply with in relation to how it handles personal information, including deciding whether to disclose it or not. In particular, the first principle requires personal data to be processed in a lawful and fair manner. In considering whether it is 'fair' to any individual to release information about them, PSNI considered the likely expectations of those individuals and the nature of the information involved. Individuals must have confidence that their information is treated sensitively and appropriately by PSNI. We consider those individuals would not have any reasonable expectation PSNI would disclose such information of this nature about them. We consider it would be extremely unfair to those individuals and therefore a breach of the first principle of data protection legislation. This information is therefore exempt under section 40 (2) of the FOIA as it contravenes data protection legislation to release it and the PSNI has made the decision to withhold that information.
