WHAT YOU NEED TO KNOW

& WHO TO CONTACT

All information can be found online

## Welfare of Animals Act (NI) 2011

**Under the Welfare of Animals Act (NI) 2011 a person who is responsible for an animal must ensure that its needs are met, and it is an offence to fail to take reasonable steps to ensure its welfare. Causing an animal unnecessary suffering is also an offence and can be punished with a prison sentence of up to 5 years and an unlimited fine.**

Three separate bodies are responsible for enforcement of the Act depending on the type of animals involved and, in some cases, the nature of the welfare issue.

Officers from the enforcement bodies will investigate complaints and can use their statutory powers to take a range of actions including giving advice, issuing legally binding Improvement Notices, taking animals into their possession and prosecution.

**If you do become aware of an animal welfare case**

### Please DO

- Report it to the appropriate enforcement body as set out below, providing as much information as possible.

### Please DO NOT

- Upload comments or photographs to social media sites or other media outlets as this may jeopardise potential court proceedings;
- Interfere with evidence as this may affect any subsequent criminal investigation; or
- Attempt to rescue an animal from another person or property as you may be found to be acting illegally.

## Non-farmed Animals

**District Councils** are responsible for enforcement of the Welfare of Animals (NI) Act 2011, as it applies to **Non-Farmed Animals**. This means domestic pets of any vertebrate species such as cats, dogs, horses and donkeys, etc.

The Council Animal Welfare Officers do not offer re-homing services for unwanted animals but will be able to refer you to other bodies that may be able to help.

If you need to report a **Non-Farmed Animal** welfare case **during office hours Monday – Friday 9am-5pm** you should contact the appropriate telephone number or email address relating to the region you live in, these are set out on the back page of this leaflet.

### Please note

Emails will only be responded to during office hours which are **Monday to Friday 9am-5pm**.

### Emergency

For emergency animal welfare cases only between 9am and 5pm at **weekends and over holiday periods** contact the same numbers and you will be directed to an out of hours service.

## All information can be found online
