

Title of Policy	Aim of Policy	Screening complete	Screening Decision	Date screening outcome approved	Summary of Screening Findings
<a href="#">Child Protection</a>	This revised Service Instruction amalgamates two earlier service procedures to ensure that all police personnel provide victims of child abuse with an effective and appropriate police response. This is to achieve better investigation and prosecution in these crimes.	Complete	Screened Out	15/11/2017	Police have a duty to protect life and prevent the commission of offences. This service instruction is designed to ensure the police response to child abuse is managed consistently irrespective of section 75 groupings
<a href="#">Briefing on Police Officers entitlement to mileage allowance</a>	The briefing is designed to provide clarity on mileage allowance calculations and detail what is allowed in certain circumstances, for example, recall to duty	Complete	Screened Out	16/01/2018	The new briefing provides for updates to the policy and uniformity in relation to the claiming of allowances by regular officers and is applied consistently regardless of the S75 groupings.
<a href="#">Environmental Management</a>	The policy informs all staff and the public on PSNI's position on sustainable development and environmental management. It defines PSNI compliance with environmental legislation and monitors the principles and responsibilities of sustainable development and environmental management incorporating them into daily activities.	Complete	Screened Out	01/03/2018	No equality issues detected in this matter. There are no negative impacts factors on any S75 grouping. The policy represents good practice regarding our responsibility to Environmental Management within PSNI
<a href="#">Wanted Persons</a>	The aim of the instruction is to support the criminal justice system in Northern Ireland by relentlessly pursuing those who are wanted. The PSNI will take a proportionate approach when attempting to locate a wanted person; we will seek to use the least intrusive method first before resorting to more intrusive methods. It is acknowledged that despite efforts to locate a person, some persons may remain wanted for a protracted period of time. With limited resources there will be occasions when, due to a number of factors, the Service determines along with partners that it is no longer in the public interest or proportionate to have a person wanted.	Complete	Screened Out	20/03/2018	The Service Instruction is in relation to the management of wanted persons procedures and processes within the PSNI and therefore does not impact any Section 75 groupings. It is applied equally in the pursuit of wanted persons. The point about its effect on more males is noted and will be monitored.
<a href="#">Officers and Police Staff Drivers - Service Instruction</a>	The policy establishes the basis for classification of police officer and police staff drivers. It also deals with the associated training for each category and the process for police driving aids.	Complete	Screened out	21/03/2018	The service instruction applies equally to all police drivers (officers & staff) to ensure standards are maintained and to ensure advanced drivers are adequately trained for the role.
<a href="#">Instructions for establishing Emergency Flying Restrictions within the UK - cancellation of service procedure</a>	The aim of the original service procedure was to provide guidance for officers who may be required to request implementation of emergency flying restrictions.	Complete	Screened Out	21/03/2018	It was agreed that service procedure was no longer required in respect of this matter. In future the information needed to assist decision making will be held on the intranet site on the Air Support web pages with links to Emergency Planning, Search & Rescue and Contact Management plans. These will be updated regularly.
<a href="#">Freedom of Information - Service Instruction</a>	The instruction will provide guidance to officers and staff outlining expectations in order to comply with the Freedom of Information Act 2000 and the Environmental Information Regulations 2004. It also sets out the role of DP/Fol Unit in responding to requests.	Complete	Screened Out	26/03/2018	This service instruction updates the guidance to the organisation in line with obligations. It will be reviewed at the introduction of the GDPR regulation and directive in May 2018 to ensure obligations continue to be met. The instruction does not identify specific groups and are applied consistently.
<a href="#">Alcohol Misuse Testing - removal of service policy</a>	The service policy 04/14 is being removed in line with current Corporate Policy and the relevant information will be held on internal intranet	Complete	Screened Out	27/03/2018	This mechanism is a proactive measure to ensure current procedures are in a more accessible format with continuous updates and monitoring of results. Treats all S75 groupings equally.
<a href="#">Making off without payment</a>	The policy aims to ensure the most appropriate policing response to incidents of making off without payment (MOWP) at fuel retailers	Complete	Screened Out	28/03/2018	No equality issues detected in this matter. There is no information to indicate that any of the grouping would be adversely impacted. From information available (crime and incident stats) all forecourt retailers could be equally affected.
