I am conducting research on e-cigarette use among young people in Northern Ireland. I was looking to find out information in relation to unregulated substances. In particular:

Request 1

The number of incidents that have been reported to police each year in the last 3 years of young people inhaling the drug spice via e-cigarettes.

Answer

Your request for information has now been considered. In respect of Section 1(1)(a) of the Act we can confirm that the Police Service of Northern Ireland (PSNI) does not hold information in relation to your requests. Enquiries made in relation to your request failed to locate any records or documents relevant to your request based on the information you have provided.

The PSNI does not hold the requested information. We would hold info on number of spice seizures, but this would not identify the age of the person (if there is even a person associated with the seizure), and seizures may not cover all incidents reported to police.

Accordingly, I have determined that the Police Service of Northern Ireland does not hold the information to which you seek access.
