

BURGLAR DON'T BOTHER

we care
we listen
we act

Police Service
of Northern Ireland

Burglars are opportunistic and will look for easy ways to enter your home and steal your property.

We can make our homes a less attractive option for criminals by taking a few simple precautions:

Don't keep large amounts of cash in your home

Mark valuable items with your home postcode and house number

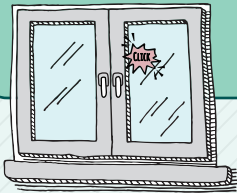

Report suspicious activity to police immediately

Lock all gates and secure access routes to your gardens

Close and lock all windows and doors, even when you are at home

Give your property an occupied look by using timer switches for lights when your home is empty

Keep valuable items out of view and store them securely when you leave home
